DETAILED ACTION

Drawings

The drawings were received on February 23, 2007. These drawings are acceptable.

Allowable Subject Matter

Claims 1-10 and 21 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the prior art of record, either singularly or in combination, does not disclose or suggest the combination of limitations including a first collar region with a first vertical length which is substantially constant throughout the periphery of said first collar region; and wherein said offset buried strap is located at a second depth that is different from said first depth and said second vertical length is equal to said first vertical length.

Regarding claims 8 and 21, the prior art of record, either singularly or in combination, does not disclose or suggest the combination of limitations including a first bottom surface of said first collar region is vertically offset from a second bottom surface of said second collar region.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
